Re: In re Tremont Securities Law, State Law and Insurance Litigation

This Document Relates to: All Actions: 08 Civ. 11117 (TPG)

Dear Judge Griesa:

Attached is a pleading filed in a California court of appeal by Massachusetts Mutual Life Insurance Company on September 16, 2010. It is being sent to you because in it they announce the existence of the settlement in In re Tremont and use the existence of the settlement to advance their legal arguments: "[T]wenty-two related cases have been filed in New York and consolidated in the Southern District of New York. *** Plaintiffs and the Tremont Defendants, MassMutual and Oppenheimer Acquisition Corp. have reached an agreement in principle to settle the cases, including all asserted derivative claims. MassMutual understands plaintiffs are preparing to submit a proposed settlement agreement to the Southern District for approval." (See page *7 as marked)

As you may recall, the alleged fact that the "Proposed Settlement which is the subject of the Proposed Order is not yet public" was the justification provided to you by Lead Counsel for not filing your most recent order on the ECF system. (See Mr. Haber's letter of September 30, 2010, also attached.)

Whatever the original justification secrecy, it no longer exists in light of the Defendants' September 16 public announcement of the settlement. Accordingly, the undersigned requests that all prior filings, communications and orders be entered on the Court's ECF website and you instruct all parties to use the ECF system for any future filings.

Respectfully,

Vincent T. Gresham
